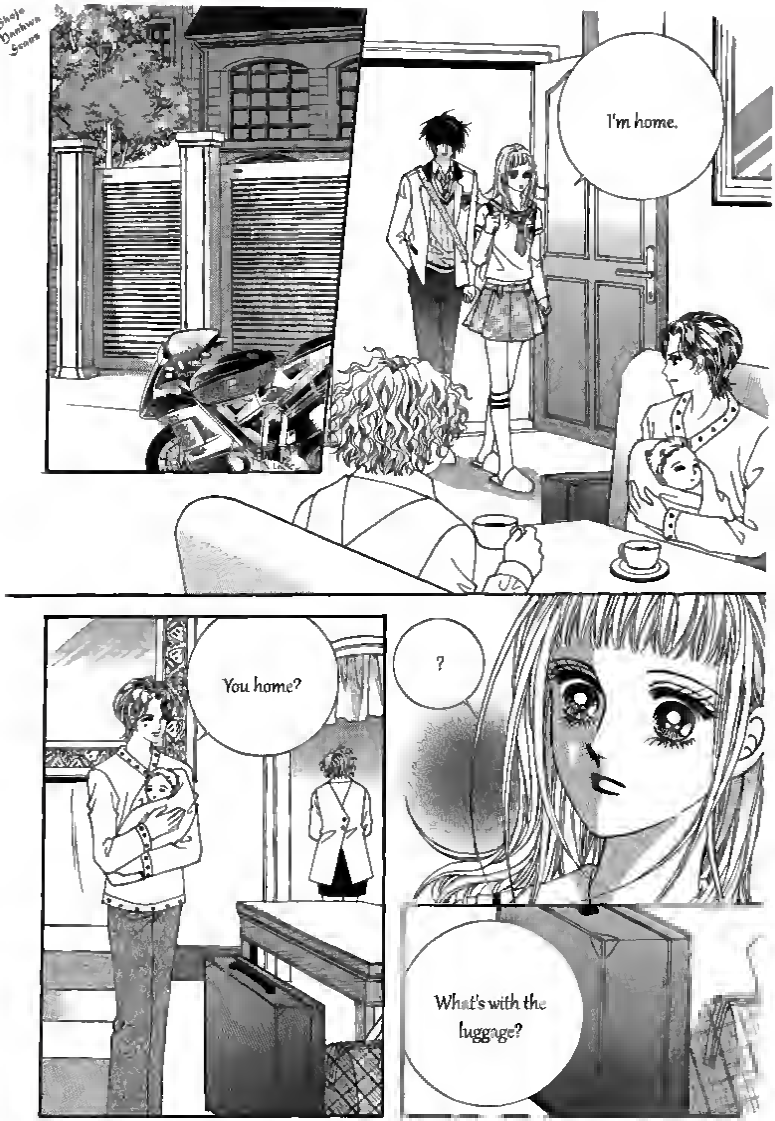
Bang
GO AND EAT IT YOURSELF!
Hey
SEON-NAM ?!
Awesome! Then can I have them?
Acting nice to her is useless

I haven't got any contact from Jun oppa
Maybe he was bothered by what Ma Cheon-Dong said.
But that's a good thing if he does
It's time to settle my confusing feelings

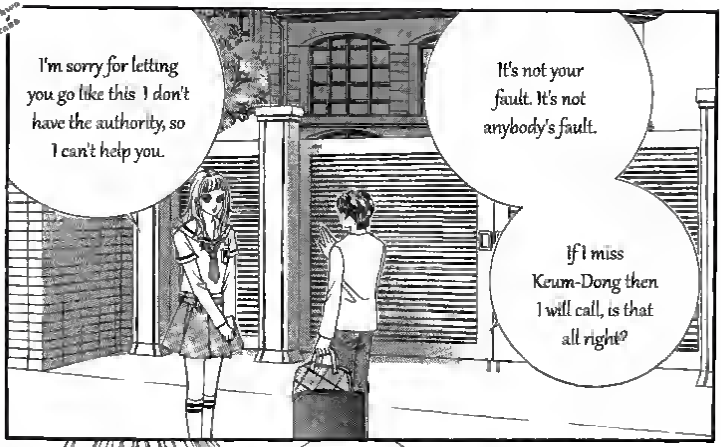
Let me take you home, I'll hold this.
MA'CHEON-DONG! HEY! GIVE IT BACK!
S
H



I'm home.
You home?
?
What's with the luggage?

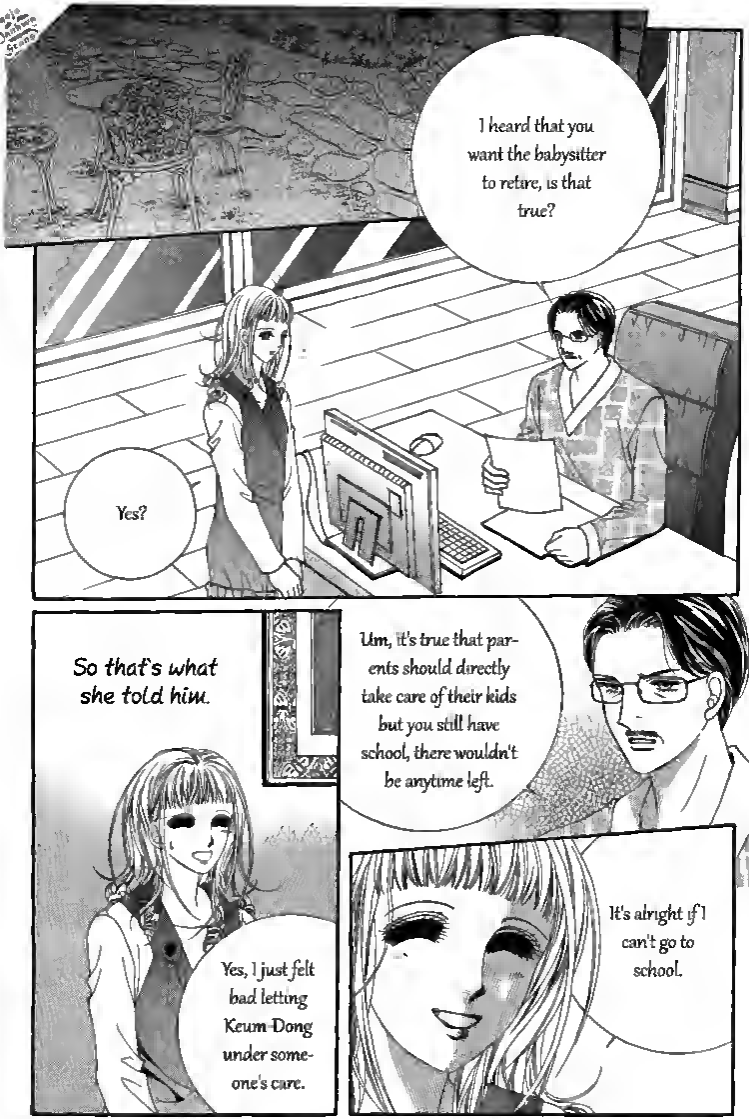
Shojo Manhwa Scans
I'm retiring
You said you'll keep on working for 2 to 3 more months, so why are you quitting now?
About this...
Madam says that you guys are no longer in need of a babysitter...
So it's her?

Shojo Manhwa Scans
Why are you looking at me? It's not my problem.



I'm sorry for letting you go like this I don't have the authority, so I can't help you.
It's not your fault. It's not anybody's fault.
If I miss Keum-Dong then I will call, is that all right?

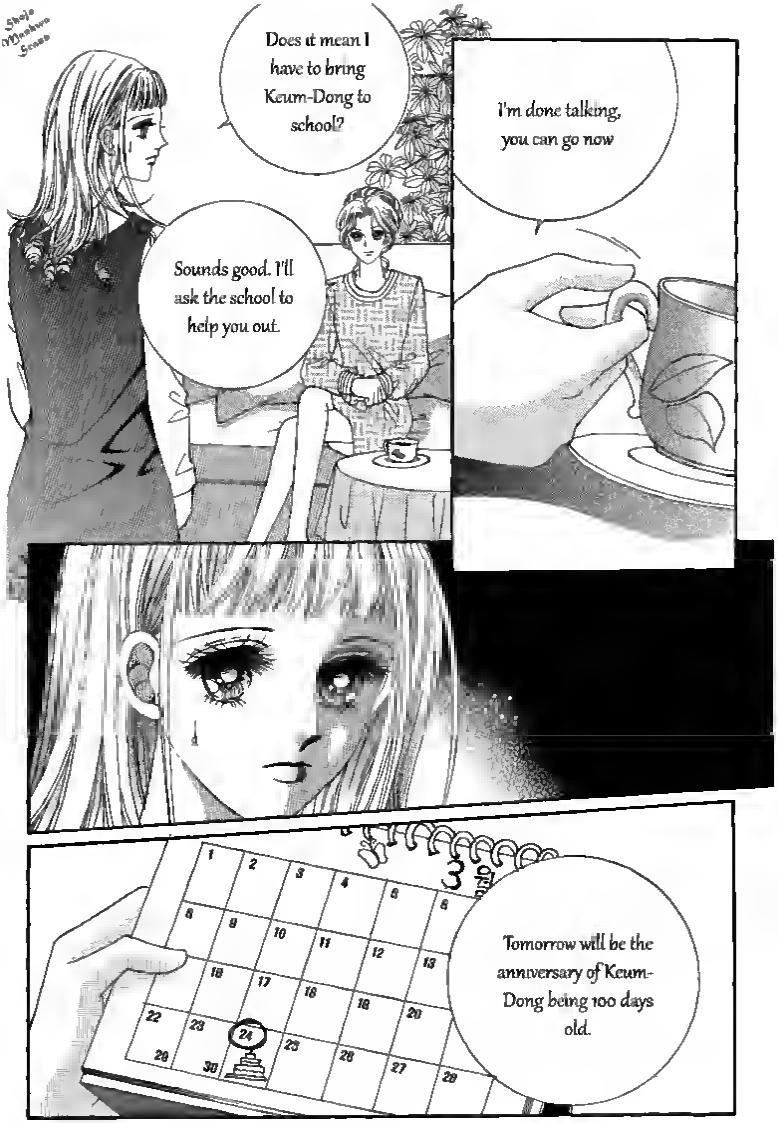
Of course
Take care, good luck
Take care, good luck.



I heard that you want the babysitter to retire, is that true?
Yes?
Um, it's true that parents should directly take care of their kids but you still have school, there wouldn't be anytime left.
It's alright if I can't go to school.
So that's what she told him.
Yes, I just felt bad letting Keum-Dong under someone's care.

Shojo Manhwa Scans
WHY ARE TALKING NONSENSE?
I'm just kidding
Just leave that to Cheon-Dong's mother for now
Yes, sir

Come with me for a moment.
I let the babysitter retire, does it make you feel uneasy?
I told you that you should learn to take care of your own child. And stop depending on others
School? Before I went to work still took care of both Cheon-Dong and Shin-Hye at the same time until Kinergarden.
So don't even think about quitting school to watch the baby



Does it mean I have to bring Keum-Dong to school?
Sounds good. I'll ask the school to help you out.
I'm done talking, you can go now
Tomorrow will be the anniversary of Keum-Dong being 100 days old.

Are you happy?
It really is a precious day right?
But .
I can't talk with anybody

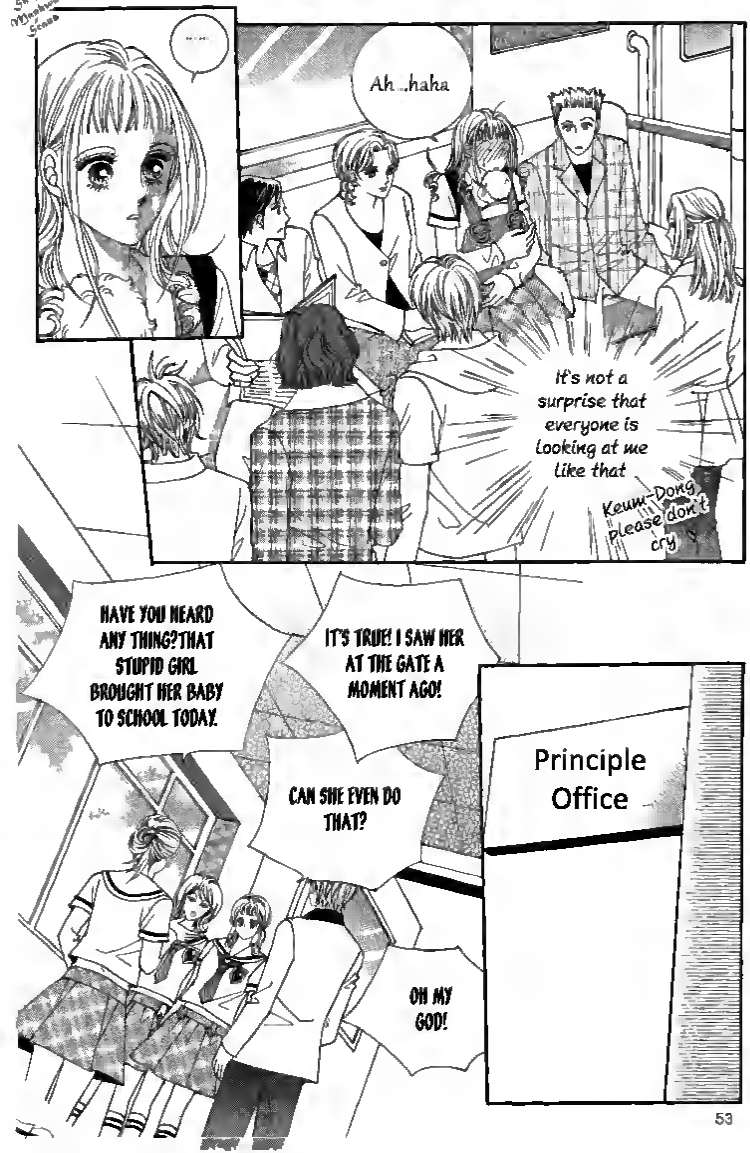
Good, perfect!

Mom, Is it true that you're not going to work at that place any more?
Then can you help me watch over Keum-Dong while I'm at school?
Keum-Dong is your grandson! Can't you help me with this one thing?

Your mother-in law did that because she has her reasons! Don't you know that she wants you to have more responsibilty as a mother?
Yes?
I can't help you with that. I have to go buy TV with your dad today Don't even think about sending your kid here
WAIT MOM!
Are you really planning to bring the kid to school?

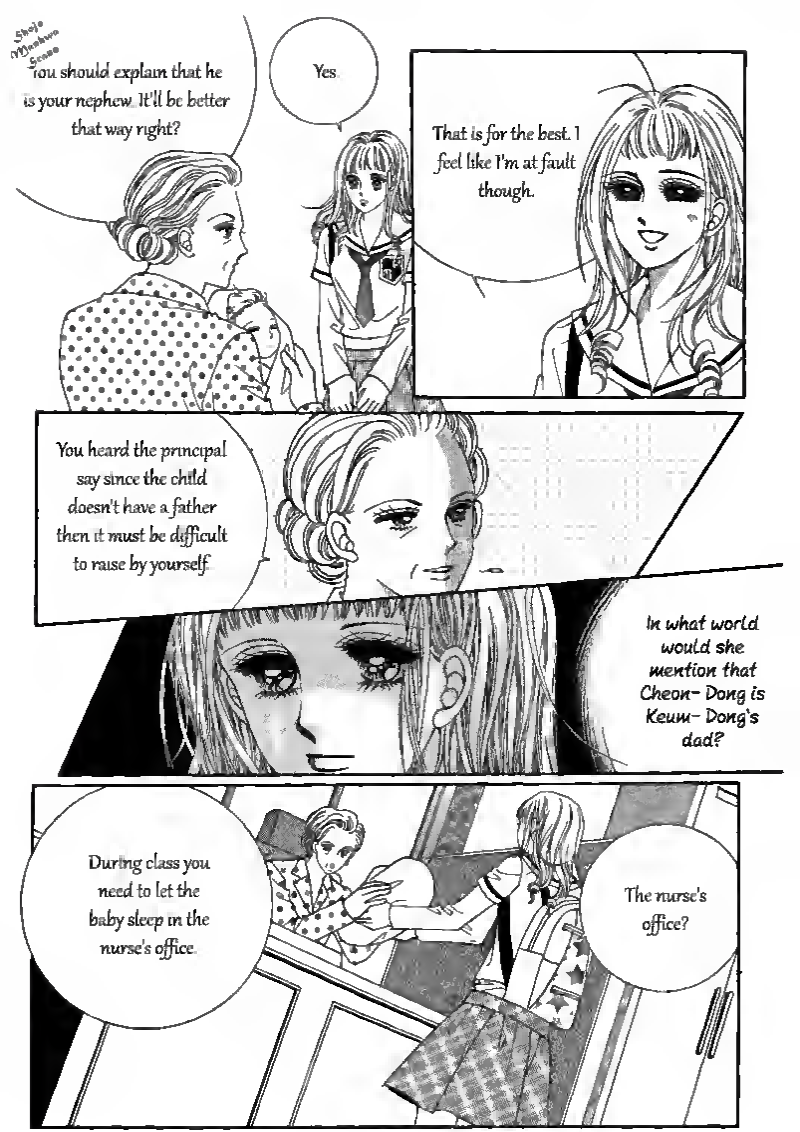
Shojo Manhwa Series
You don't have to worry, I know many people who can watch over Keum-Dong
I hope so
...

Ok~let mommy see who I give my little Keum-Dong to~~
But I don't have anyone else except for mom and dad.



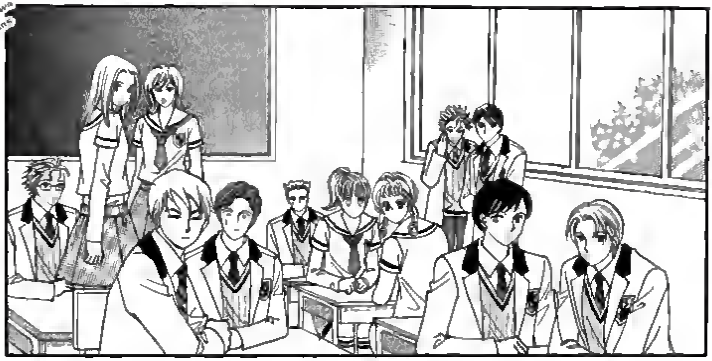
.....
Ah ..haha
It's not a surprise that everyone is looking at me like that
Keum-Dong Please don't cry
HAVE YOU HEARD ANY THING?THAT STUPID GIRL BROUGHT HER BABY TO SCHOOL TODAY.
IT'S TRUE! I SAW HER AT THE GATE A MOMENT AGO!
CAN SHE EVEN DO THAT?
OH MY GOD!
Principle Office

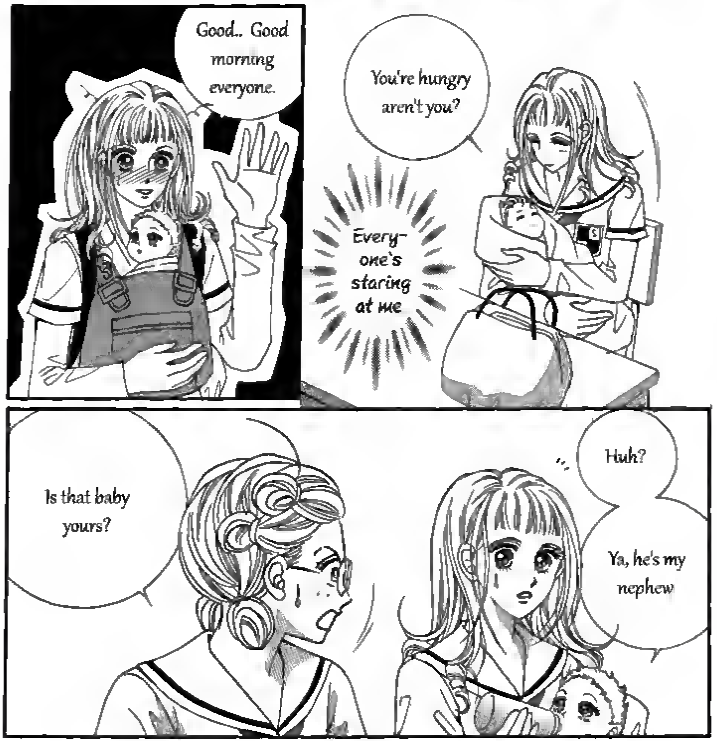
I've heard from the principle So this kid is your son?
Yes, madam
Then you've done a good job, even at this young age you already know how to take responsibility as a mother, and you're still so studious The teachers all have a really high expectation for you.
Thank you for understanding.



Shojo Manhwa Scans
You should explain that he is your nephew. It'll be better that way right?
Yes.
That is for the best. I feel like I'm at fault though.
You heard the principal say since the child doesn't have a father then it must be difficult to raise by yourself.
In what world would she mention that Cheon-Dong is Keum-Dong's dad?
During class you need to let the baby sleep in the nurse's office.
The nurse's office?

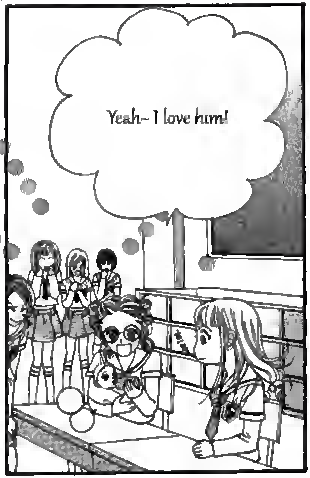
That's right. If the baby cries, I'll call for you. Then you can come to my office and coax him to sleep
Is that alright?
Thank you!
Thank you so much!
The teachers all like you! Aren't we lucky Keum-Dong?





Good.. Good morning everyone.
You're hungry aren't you?
Every-one's staring at me
Is that baby yours?
Huh?
Ya, he's my nephew

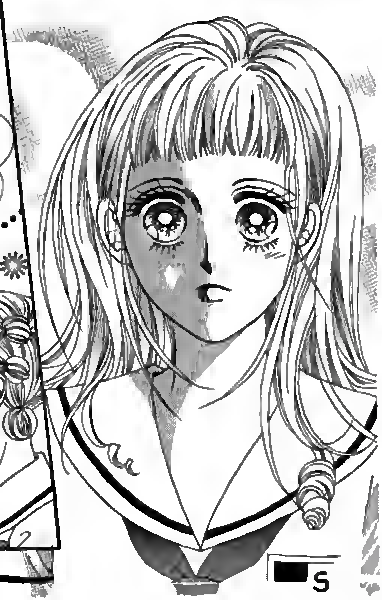
So cute~
Can I feed him?
Huh?
Feed him!
Ahh. ..Yea.
Be careful. You need to hold him very still.
Like this?
You just need to lightly shake the bottle and he'll drink it.
WOA! HE'S DRINKING! SO FAST!



Yeah~ I love him!

I WANT TO TRY TOO!

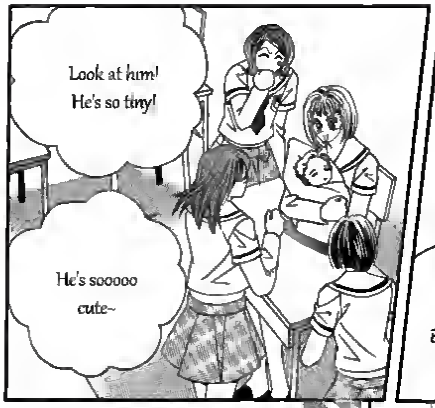
So cute!
He's so tiny!
I know right~
YOU GUYS SHOULD BE QUIET! HE'S GETTING SCARED!



What's his name?
Keum - Dong!
3 - 5

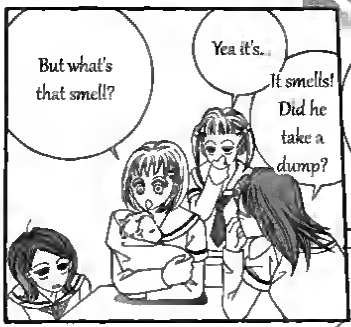
HEY HEY! I JUST HEARD THAT SEON-NAM BROUGHT A BABY TO SCHOOL! IS THIS TRUE?
You can't tell from Cheon-Dong's face?

He's about to erupt.
S
H

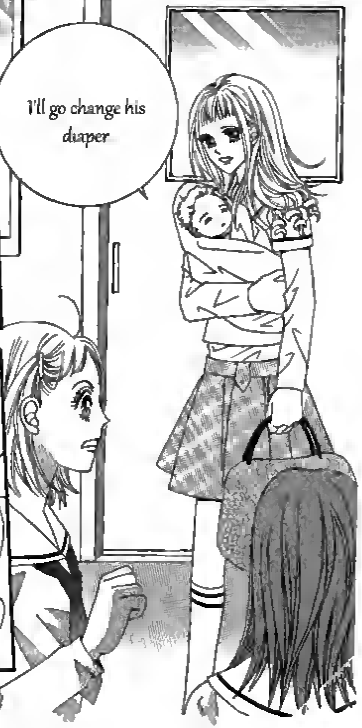


Look at him! He's so tiny!
He's sooooo cute~

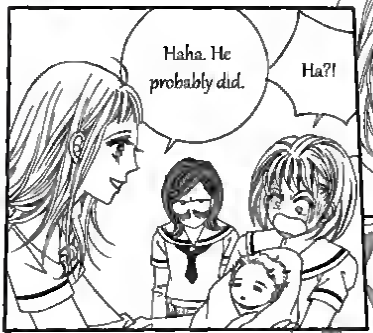
This is great! Everyone likes Keum-Dong



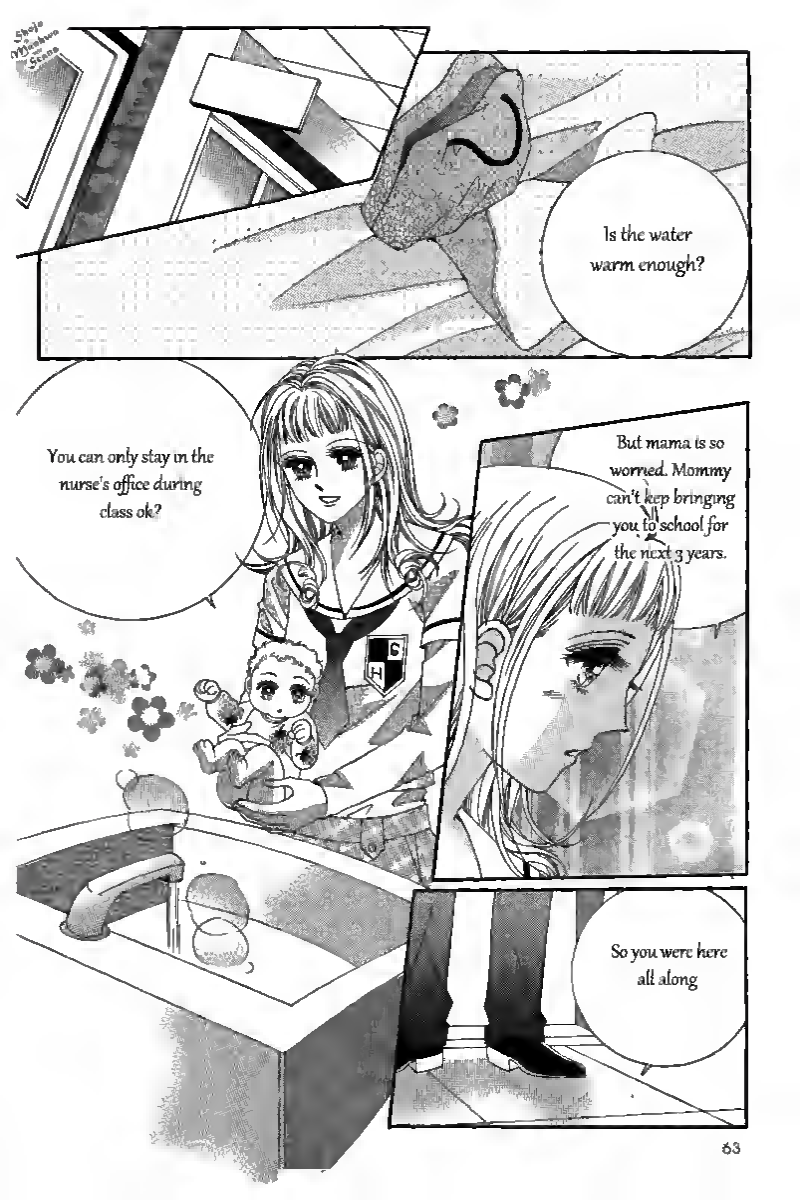
But what's that smell?
Yea it's..
It smells! Did he take a dump?



I'll go change his diaper



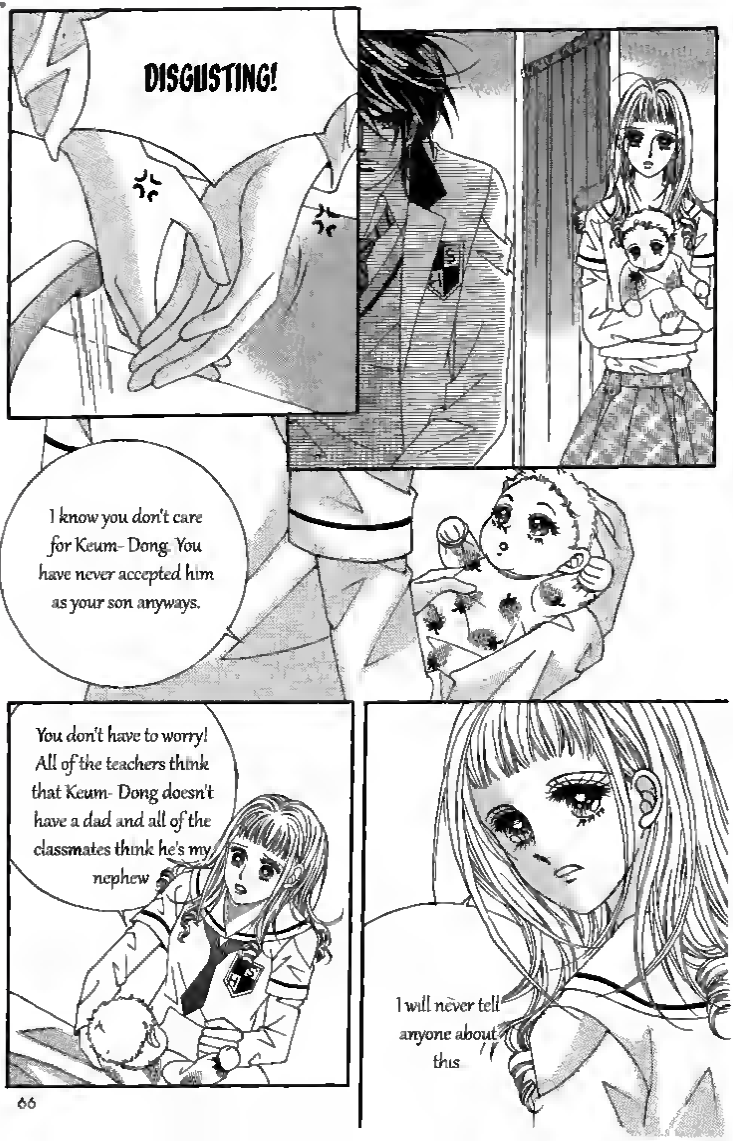
Haha. He probably did.
Ha?!



Is the water warm enough?
But mama is so worried. Mommy can't keep bringing you to school for the next 3 years.
You can only stay in the nurse's office during class ok?
So you were here all along

Cheon- Dong
I brought him to school with me since the babysitter was off today.
But since all of the teachers and classmates love him, the principal is letting Keum- Dong stay in the nurse's office.

Shojo Manhwa Scans
Did she think that I would care for it?
?!
It's wet
OI WHAT IS THIS?!
It's Keum-Dong's poop You need to be more careful



DISGUSTING!
I know you don't care for Keum-Dong. You have never accepted him as your son anyways.
You don't have to worry! All of the teachers think that Keum-Dong doesn't have a dad and all of the classmates think he's my nephew
I will never tell anyone about this
